Superpowers

Product Strategy

Drives company-wide multi-year strategy, and ships end-to-end product visions for critical experiences.

Systems thinking & Craft

Managed 4 foundational teams, and drove critical quality programs for 3B users

Leadership

Builds an inclusive culture

Initiates communities and programs to drive design conversations for an 80k+ company

Accelerates careers through coaching

Managed 10 product designers, leads senior design mentorship circles, and 1:1 mentoring across levels and roles
